## A PROGRAM OF FEATURE LENGTH DEBUT FILM

Opening movie

### ICE

**Director:** Oleg Trofim

**Country of production:** Russia

**Year of production:** 2018

**Duration:** 113 min

**Synopsis:**

Inspired by true events, the Russian film "Ice" is an emotional story about a girl whom love helped to get up from wheelchairs and becomes the world's champion in skating. From her early childhood Nadia believed in miracles. She used to imagine getting on ice and skating her most beautiful dance to the audience's ovation. Nadia's belief and perseverance helped her become a well-known figure skater. But when her dreams of a glorious victory, good living and a knight in shining armour were about to come true, her fate gave her a real challenge.

**Cast:** Aglaya Tarasova, Milos Bikovic, Alexander Petrov, Mariya Aronova, Kseniya Rappoport, Yan Tsapnik

## ISKRA

**Director:** Gojko Berkuljan

**Country of production:** Montenegro, Serbia

**Year of production:** 2017

**Duration:** 81 min

### Synopsis:

Peter is retired detective and all he has left is his daughter Iskra. The monotony of his pensioner's days are interrupted when Igor, Iskra's coworker, tells him that she has been missing a couple of days. While working on an article, she borrowed in a hurry Igor's car and never came back. The car was eventually found in a ditch near the narrow and hidden mountain road, but without a trace of Iskra. The proofs showed that someone could have been with her in the car. The pursuit to find Iskra begins and the investigation takes Petar back to his past.

**Cast:** Mirko Vlahovic, Mladen Nelevic, Jelena Simic, Aleksandar Gavranic, Dragan Racic, Miso Obradovic, Irina Dragojevic, Zoran Vujovic, Aleksandar Radulovic, Karmen Bardak, Jovan Dabovic, Marta Picuric, Slavko Klikovac, Danilo Celebic, Branka Stanic

## EDERLEZI RISING

**Director:** Lazar Bodroža

**Country of production:** Serbia

**Year of production:** 2018

**Duration:** 85min

### Synopsis:

Ederlezi Rising is an exciting science fiction story set in near future about the pioneering space mission Ederlezi recruits Milutin, a Slav cosmonaut trained in the newly reformed futuristic Soviet Union and accompanies him with the Nimani, a female android programmed to fulfill whatever Milutin desires.

Bored by an endless succession of different sexual games and preprogrammed behaviors, Milutin decides to reboot Nimani and make her work only based on custom settings generated from her experiences with him. That way he turns her into something closest to a person that an android can ever become. However, upon becoming a person, Nimani gets depressed and destructive. Milutin realizes that Nimani may not only jeopardize their mission but also lead to selfdestruction.

**Cast:** Sebastian Cavazza, Stoya, Marusa Majer, Kirsty Besterman
